

It's time

Don't let this year go by without making a contribution to your Individual Retirement Account (IRA).

If you own an American Funds traditional or Roth IRA, you can make contributions right on our website. The IRA annual contribution limit is \$5,000 (\$6,000 if you are age 50 or older) or 100% of your compensation, whichever is less.

Make your annual IRA contributions online at americanfunds.com.

Investments are not FDIC-insured, nor are they deposits of or guaranteed by a bank or any other entity, so you may lose money. You should carefully consider the investment objectives, risks, charges and expenses of the American Funds. This and other important information is contained in the funds' prospectuses, which are available from a financial adviser. Please read the prospectuses carefully before investing. Tax issues involving IRAs can be complex. Please consult your tax or legal adviser before making any decisions.
