**Subject:** Congratulations! DSSI GSR Awarded

Dear Diana,

It's my pleasure to inform you that your DSSI proposal has been selected to be awarded a Graduate Student Researcher. You have been granted a 25% GSR for AY19-20, three quarters.

Please work with Andrew VanSchooneveld on submitting an Employment Action Form once you have selected your GSR. In addition, please submit by **June 1, 2020** a brief update on the outcomes of your proposed work and how the DSSI GSR awarded contributed to these outcomes. The update should be submitted to IS Chair, Jean-Francois Blanchette and Dean Marcelo Suárez-Orozco.

Congratulations and please let me know if you have any questions.

Best,  
Karla
